FEES EARNED DURING THE FINAL FEE PERIOD

I. Customary Billing Disclosures

15. Sidley's hourly rates are set at a level designed to compensate Sidley fairly for the work of its attorneys and paraprofessionals and to cover fixed and routine expenses. The hourly rates charged by Sidley in this Chapter 11 Case were billed in accordance with Sidley's rates and procedures in effect during the Final Fee Period and in accordance with the Retention Order. As described in the Retention Application, the rates Sidley charges for the services of its attorneys and paraprofessionals in this Chapter 11 Case are consistent with the rates Sidley charges other comparable chapter 11 clients, regardless of the location of the case. Moreover, Sidley's rate structure is appropriate and not significantly different from the rates that Sidley charges for non-bankruptcy representations or the rates that other comparable counsel would charge to perform substantially similar services.

16. Sidley has received no payment or promises of payment from any source other than the Committee for services rendered in this Chapter 11 Case. There is no agreement or understanding between Sidley and any other entity or person, other than members of the Firm, for the sharing of compensation to be received for services rendered in or in connection with this Chapter 11 Case. All professional and paraprofessional services for which Sidley is requesting compensation were rendered solely on behalf of the Committee.

¹ Sidley calculated the Committee Blended Rate by dividing the total fees billed by Sidley timekeepers to the Committee during the Interim Fee Period by the total number of chargeable hours worked by such timekeepers on behalf of the Committee during such period. The Committee Blended Rate does not include fees and corresponding chargeable hours voluntarily reduced by Sidley, if any, prior to the filing of the Application.

² Sidley calculated the Committee Blended Rate by dividing the total fees billed by Sidley timekeepers to the Committee during the Interim Fee Period by the total number of chargeable hours worked by such timekeepers on behalf of the Committee during such period. The Committee Blended Rate does not include fees and corresponding chargeable hours voluntarily reduced by Sidley, if any, prior to the filing of the Application.

³ Sidley calculated the Non-Bankruptcy Blended Rate by dividing the total amount of fees billed to clients by Sidley’s domestic, non-bankruptcy timekeepers during the Comparable Period by the total number of chargeable hours worked on behalf of clients by such timekeepers during the Comparable Period. The Non-Bankruptcy Blended Rate does not include fees and corresponding chargeable hours voluntarily reduced by Sidley prior to submission of the relevant invoices to Sidley’s clients. For the avoidance of doubt, the Non-Bankruptcy Blended Hourly Rates reflect Firm-wide increases that took effect across all of the Firm’s practice groups on January 1, 2021.
